As you can see, the format for this month's newsletter varies from the traditional format of previous issues. My staff is currently creating **EnriqueBarrera.com** in order to provide you with a venue to submit and review information on a wide range of issues and events occurring throughout our District and our City. While our quarterly newsletter and monthly community meetings offer the residents of District 6 an opportunity to become informed on issues facing *our* District, I feel it is important to also raise awareness of the many services and events available throughout the City.

Therefore, within this newsletter you will see numerous announcements from various City Departments highlighting various programs and services. In light of the fact that this newsletter is intended to be an example of what you can expect to see on *your* website, I encourage you to share your thoughts and ideas as to what you would like to see on **EnriqueBarrera.com**. If you have an idea for the Virtual District Office (VDO), please email office@enriquebarrera.com or call Mike DeNuccio at 207-2127.

District 6 Graffiti Wipe Out is a Success—More Events to Come!

In our last newsletter, we told you about the **Graffiti Wipe Out** project in District 6. The event was very successful with over ten private properties and numerous public right-of-way locations painted over.

Fifty students and ten community members, as well as Councilman Barrera and his staff spent the better part of two days painting over graffiti. As a result, many areas that used to look like the photo on the left, now look like the one on the right. Thanks to everyone who helped out. If you would like to organize a similar project in your community, please contact our office at 207-7065.

Community Announcement - District 6 Newsletter

*Councilman Enrique M. Barrera
and the District 6 Staff
wish you and yours a
Safe and Happy Holiday Season.*

*As the season approaches, please remember
those amongst us who are most in need.*

207.8100 for information**

NAD - Community Tool Shed

The Neighborhood Action Department announces the availability of the **Community Tool Shed**. Many times neighborhood groups plan for a clean-up project and find themselves short of the proper tools to do the work. Funded by the Annie E. Casey Foundation, NAD will make these tools available to community groups.

The equipment include lawn mowers, edgers, rakes, hoes, and other necessary tools. For more information, call Sebastian Guajardo at 207-2820.

Recycle Your Old Phone Books

*Now through Wednesday,
November 19, 2003
at Various H-E-B locations*

Please do not mix recyclable
phone books with other
materials.

For telephone book recycling
information recorded in English and Spanish,
please call 1-800-953-4400.

Whether you are on your way
home, on your way to work or
just sitting outside your home,
just remember three numbers:

September Community Meeting

Jenny Ramirez, Code Compliance Supervisor, talks with residents about concerns in their neighborhoods

The District 6 Community Meetings enable residents from across the district to interact and learn about numerous programs in the city and to voice their concerns to Councilman Barrera and City Staff.
